Address: 10 Ramsbury Walk, Trowbridge, Wiltshire, BA140UU

An experienced freelance web developer specialising in PHP, MySQL and standards compliant XHTML/CSS websites.

Skills

- XHTML
- CSS
- PHP
- MySQL
- VB6
- Javascript/jQuery
- Website Security
- Email Marketing
- Windows
- Linux
- Version Control
- Facebook API

Professional Experience

2005 - Present - Freelance Developer

Creating and supporting desktop SEO applications for direct sale to internet marketers.

Setting up ecommerce facilities to allow digital products to be delivered automatically upon payment.

Creating and maintaining websites for businesses.

Developing applications using the Facebook Platform and API.

2009 - Present - Web Developer for African Talent/African Repatriation

Creating a bespoke job board website targeting the African market, and setting up a Wordpress blog.

Working with a third party designer and creating XHTML/CSS templates for both sites, integrating jQuery where appropriate.

Ongoing support and maintenance of both websites.

2006 - 2008 - Occasional Contract Work For apetito Ltd.

Security audit and usability testing for major ecommerce websites prior to launch.

Maintenance and ongoing development of company intranet using PHP and MySQL.

Education

- BTEC National Diploma For IT Practitioners, Wiltshire College, 2003-2005
- 7 GCSEs, grade C or above, including English and Maths, John of Gaunt School, Trowbridge

Interests

I enjoy cycling in my spare time, and in May 2008, completed the 100km Isle of Wight Randonnee.
